### MANAGEMENT

<b>SPONSOR:</b>	World Gold Trust Services, LLC	<b>TRUSTEE:</b>	BNY Mellon Asset Servicing, a division of the Bank of New York Mellon
<b>CUSTODIAN:</b>	HSBC Bank USA, N.A.	<b>MARKETING AGENT:</b>	State Street Global Markets, LLC*

\* World Gold Trust Services, LLC as the Sponsor and State Street Global Markets, LLC as the Marketing Agent have agreed to reduce the fees payable to them from the assets of the Trust to the extent required so that the estimated ordinary expenses of the Trust do not exceed an amount equal to 0.40% per annum of the daily net asset value during the period ending seven years from the date of the Trust Indenture (11/12/2004) or upon the earlier termination of the Marketing Agent Agreement. Investors should be aware that if the value of the Trust assets is less than approximately \$388 million, the ordinary expenses of the Trust will be accrued at a rate greater than 0.40% per year of the daily ANAV of the Trust even after the Sponsor and the Marketing Agent have completely reduced their combined fees of 0.30% per year of the daily ANAV of the Trust. This amount is based on the estimated ordinary expenses of the Trust.

\*\*Allocated gold bars are identified as the owner's in the vault and are not a part of the bankrupt's estate in the event of the bankruptcy of the Custodian. Except in connection with transfers of gold to or from the Trust, when the Trust's gold will be held in unallocated form and in respect to a relatively small amount of gold that may be credited to the Trust's unallocated account at the end of a business day (which will be no more than 430 ounces), the Trust's gold will be held in allocated form (i.e., an individually identified bar of gold).

The prospectus contains information about the Trust and the SPDR® Gold Shares (the "Shares") which is material and/or which may be important to you. You should read the entire prospectus, including "Risk Factors" before making an investment decision about the Shares.

The value of the Shares relates directly to the value of the gold held by the Trust (less Trust expenses) and fluctuations in the price of gold could materially adversely affect an investment in the Shares.

Investors should be aware that there is no assurance that gold will maintain its long-term value in terms of purchasing power in the future. In the event that the price of gold declines, the Sponsor and the Marketing Agent expect the value of an investment in the Shares to similarly decline proportionately.
