**SPDR® Gold Trust To List on the  
Stock Exchange of Hong Kong**

**Hong Kong — July 24, 2008** —State Street Global Advisors (SSgA), the investment management arm of State Street Corporation (NYSE: STT); and World Gold Trust Services, LLC, a wholly-owned subsidiary of World Gold Council today announced that the SPDR® Gold Trust (Ticker: 2840), an exchange traded fund (ETF) designed to track the price of gold, will be listed on the Stock Exchange of Hong Kong on July 31, 2008. The minimum trading lot for SPDR® Gold Trust, the first single-asset-class gold ETF listed in Hong Kong, is 10 shares.

A gold exchange traded fund, SPDR® Gold Shares [www.spdrgoldshares.com](http://www.spdrgoldshares.com) tracks the prevailing international gold price and provides investors with simple, cost-effective and transparent access to the gold market. Each security is backed by physical allocated gold bullion held at custodians for the benefit of shareholders.

“We are delighted to see SPDR® Gold Trust listed on the Stock Exchange of Hong Kong a move that allows Hong Kong investors access to the huge pool of liquidity represented by the SPDR® Gold Trust. We believe that investors in this region will recognise the clear benefits of a strategic allocation to gold within their portfolios and look forward to the success of this listing,” said James E. Burton, Managing Director of World Gold Trust Services. “This listing is an important milestone for investors on Hong Kong’s largest bourse and for the SPDR® Gold Trust.”

Launched by World Gold Trust Services on the New York Stock Exchange in November 2004, and traded on the NYSE Arca, since December 2007 (Ticker:GLD), SPDR® Gold Shares was the first US commodity-based exchange-traded security, and has emerged as one of the fastest growing exchange traded products. GLD was subsequently cross-listed on Bolsa Mexicana de Valores in August 2006, and the Singapore Exchange in October 2006 and most recently on the Tokyo Stock Exchange on June 30, 2008. It is now one of the largest and most liquid commodity ETFs on the global market with total net assets of approximately USD 19 billion (HKD 148 billion) as of June 30, 2008.

“We are honoured that the Stock Exchange of Hong Kong — one of the largest stock exchanges in the world—has approved the listing of SPDR® Gold Trust, one of the world’s largest ETFs,” said Sammy Yip, Vice President and Head of Exchange Traded Funds at State Street Global Advisors Asia Limited. “As the first Gold ETF to trade on the SEHK, SPDR® Gold Trust offers investors an innovative, relatively cost-efficient and convenient way to access the gold market.”
